SPEAKER
DR. LEE ROY MAIN

SUBJECT
A Roentgenologist's View of Endodontia

""

Dr. Main is dean of the St. Louis University School of Dentistry, and a past-president of the American College of Dentists. He is the author of numerous articles on various phases of roentgenology, and a delightful public speaker. From his broad experience in the field of x-ray he will give us some interesting side lights on endodontia's progress.
