

educator workshop

August 9-10, 2019

chicago, illinois

You're Invited!

The American Association of Endodontists is excited to invite you to participate in the annual Educator Workshop, developed by the AAE Educational Affairs Committee and funded by the Foundation for Endodontics. The audience of endodontic program directors, department chairs and predoctoral directors rotates every three years.

Educators are guests of the AAE and come together with their peers to address critical issues facing endodontic education today. Didactic presentations by educator leaders in endodontics, interactive activities and networking opportunities provide attendees with knowledge that can be applied to their daily academic experiences.

The 2019 Educator Workshop will host **department chairs** August 9-10, 2019, at the Loews Hotel in Chicago.

The AAE has created a menu of sponsorship opportunities that begins on Friday morning and concludes on Saturday afternoon. We hope you will accept our invitation to participate in this exciting event. I personally look forward to seeing you there and to learning more about your company.
